

LCRPOA MEETING – October 18, 2025

Greene residence

This meeting only brought forward ideas and suggestions as there was no quorum present.

Attending board members:

Tim Henry, George Cannon, Dan Greene and association member Lori Greene

Dan chaired the meeting.

Brief discussion about the role of the organization and looking forward. Many ideas came to surface. Ideas for web site additions will be forwarded to Tim Henry who is on that development committee. George suggested we once again ask Sean McDonald for an updated taxpayers property listing to pursue new members.

An overall summary was given regarding the Pere Marquette River Cleanup event at the request of George Cannon. Lori reported that with faced with decreasing number of Scout attendance the effort to include the US Forest Service interns to participate in the clean up was a great choice. It afforded a stronger alliance and point of cooperation with the USFS, and the scouts very much enjoyed the help as well.

We addressed the meeting calendar for 2026.

April 18th Dan Greene and Lori

May 16th TBD

June 19th Nancy and Phil Ryan will host

July 17th Annual Meeting

August TBD (Those present felt that this meeting should be placed back in the books as the Scout Day has no business conducted towards LCPROA. Therefore, an August meeting should still be included. This will be addressed again later.)

September 19th TBD

October 17th TBD

Addressing the calendar brought up the subject of zoom meeting for low attendance times. This is a common practice in many settings. Fees start at zero for 40-minute meeting. Or a minimal charge of 159\$ a year for the pro version. All present felt this was worth a group discussion.

Lori mentioned that we have lost a Sponsoring member of the Scout River Cleanup.

Jennifer Gilmurray, co-owner of Ace Hardware in Baldwin passed as the result of a vehicle accident. Lori will drop off a card from LCPROA to Ace Hardware.

Moving on to Board member positions

Dan Greene has thrown his hat into the ring for President.

Currently Tom Johnson is Vice President. It was unknown if Tom wishes to remain in that position. Tiim Henry has indicated a willingness to accept a nomination for the VP role.

Minutes taken by Lori Greene
